Autumn 2023 Reading Newsletter

Reading at Foxhill

Welcome back! We hope you had a lovely summer break and managed to squeeze in some time for reading. Don't worry if not, as we are ready to inspire you to get back into reading!

Don't forget - bring in your certificates to our Friday achievement assembly if you took part in the summer reading challenge, as we would love to celebrate this in school. As always, if you have any good book recommendations or any suggestions on how we can improve our reading offer at Foxhill please email school with your ideas.

As always, there are lots of exciting things happening at Foxhill this year to get everyone involved with Reading!

Mrs Griffin
English Leader

Meet our newly appointed Reading Team!

Take a look around our library!

Every week each child has an opportunity to visit the library and pick a book they would like to take home for the week. Please see your child's class page on the website for their library day.

Book Worm is back!

We were blown away with the number of parents attending our book worm sessions last year and are excited to be running these sessions once again this year. Please come along, grab a cuppa on us and read with your child in the comfort of our cosy library.

This is also an ideal opportunity to come into school to chat with your child's class teacher on how to engage with reading at home or discuss new book recommendations. We also have a well-stocked library that you could choose different books to read and share at home.

Book Worm sessions running 8.15 - 8.45 every Thursday in Autumn Term:

Year 6 - 21st September

Year 5 - 28th September

Year 4 - 5th October

Year 3 - 12th October

Year 2 - 19th October

Year 1 - 2nd November

Reception - 9th November

Nursery - 16th November

Phoebe and Mia recommend....

Ruby's Worry

Ruby's Worry is a brilliant book for Early Years and Key Stage 1 children. It speaks a lot about feelings and emotions in a suitable way for younger kids. We have recommended this book as it is a perfect story to enjoy and it delivers a very important message. From our experiences, this book is extremely enjoyable and will still be just as perfect for ks1 children to read in the future.

The day I fell into a fairytale

The day I fell into a fairytale is an amazing book that some of the reading ambassadors have read. It is a brilliant book to read at home and will take your mind on a magical adventure. This book has an important message about never talking to strangers.

As reading ambassadors, we recommend this book for ks2 as it has suitable vocabulary and an amazing story to read and enjoy.

We hope you enjoy these books that we have recommended.

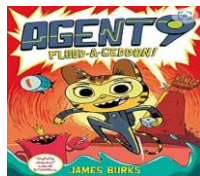

Library Donations needed!

We have noticed that children are asking for more comics and magazines to read in school.

We have a well stocked library but we have purchased some new graphic novels and have started to build our collection of magazines too. We would like to ask that if you have any spare children's magazines or graphic novels at home that you no longer need, we would be very grateful for any donations.

Thank you in advance.

Reading at Home

EYFS Reading Bear

Each week a child in the class will be chosen to take the reading bear home to enjoy a hot chocolate and stories with.

KS1 Reading suitcase

Each week children will receive the reading suitcase which contains books, hot chocolate and biscuits to enjoy at home!

KS2 Mystery Book

A child will be selected to read the 'mystery book' chosen by the class teacher. The question is.. How long can we keep it a secret from the rest of the class?
