

FOXHILL PRIMARY SCHOOL

Rotary Club Shoe Box Appeal

24th October 2024

Dear parents and carers

At Foxhill we have been a part of a Shoe Box appeal for many years and have been proud of how many children and families we have been able to support due to the generosity of our staff and families.

This year we would once again like to work with our local Bradford West Rotary Club **as** all their shoe boxes will be **distributed locally**. Children in the Queensbury area will receive the boxes.

The flat pack boxes are available from the main reception. If you would like to fill one with your child, please call into the main reception and collect a flat pack box. Instructions are on the front of the box and this year instead of wrapping the box, children can simply colour in the box. **Please don't forget to tape your £1 to the box!**

Thank you in anticipation and we hope you will enjoy this fun activity with your child.

Boxes should be returned to school by Friday 22nd November.

Mrs S Thomason

Headteacher
