Dear Parents and Carers,

As we approach 'Concert Season' and all the wonderful opportunities you will have to watch your child perform, I'd like to just take this opportunity to remind you of the guidance we have regarding the taking of photos and videos.

Parents and carers are allowed to take photos or video of only their **own** child **for personal, family memories**. We must please ask that you **do not** share photos or videos of anyone other than your own child - so please zoom in on your own little performer!

As you will be aware, this is for **Child Protection purposes**, as we have a number of children who cannot be published online or on social media for various reasons.

Thank you, in advance, for your understanding and consideration of our whole School community.

Kind regards

*Mrs Thomason*
