

FOXHILL PRIMARY SCHOOL

Headteacher - Mrs S Thomason

Dear Parents,

We are committed to ensuring communication at Foxhill remains a high priority and want to ensure parents are able to easily contact class teachers should they wish to.

Class emails for each year group have been set up and can be used to make direct contact with the class teacher. This can be used for anything relating to your child's education or information you might need to share with the teacher regarding your child. Class teachers will aim to respond within the same working day wherever possible but if the query is urgent, then please contact the school office by telephone.

Please continue to use the school office email for absence, Foxclub enquiries, after school clubs, payments and any other general enquiries.
