Headteacher - Mrs S Thomason

Dear Parents/Carers,

Miss Hodges is expecting a new addition to her family and will be going on maternity leave starting from Friday 6th December 2024. We are thrilled for Miss Hodges and her family as they prepare to welcome their little one.

We understand that transitions can be significant for both children and parents, and we are committed to making this period as smooth and positive as possible. Miss Bradley will be teaching from 9th December until the end of the school year.

Miss Hodges will be with us up until 6th December allowing time for a gentle handover. During this period, we will be making every effort to ensure children feel comfortable and secure with this change, whilst also providing opportunities for parents to meet Miss Bradley.

Thank you for your understanding and support.

Kind regards

Mrs S Thomason
