

Year 2 Mini Class Project

I hope you are still all keeping safe and warm in this cold weather.

I've loved seeing your work. Remember you can ask your parents to email it to year2@foxhill.bradford.sch.uk

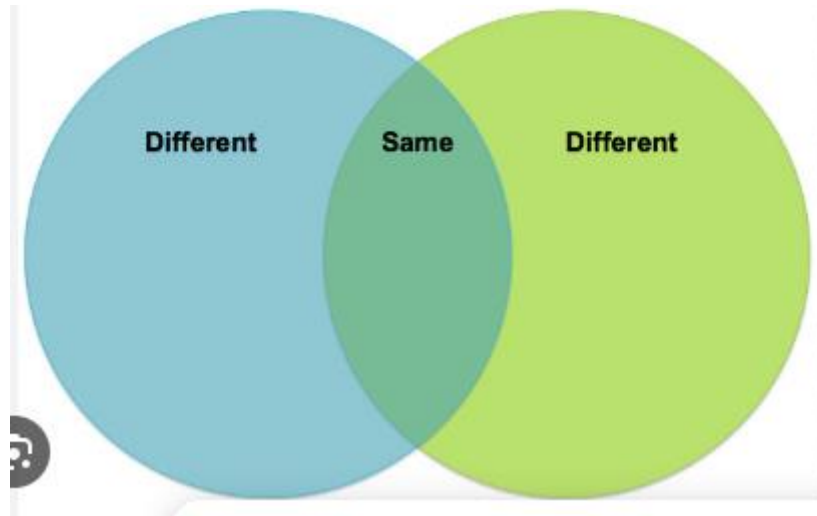

This term in History we will be looking at Queensbury now and in the past. See if you can find some photos of Queensbury from now or the past.

Have a look at these two pictures of the Coop in Queensbury.

What difference can you spot? What similarities can you spot?

Make a Venn diagram to show this.
