

Foxhill Primary School

Headteacher - Mrs S Thomason

16/12/2024

Dear Parents

NUT-FREE SCHOOL

At Foxhill, we strive to provide a safe environment for all students. Due to some of our pupils suffering with life threatening nut allergies, we intend to become a NUT-FREE SCHOOL, with immediate effect.

An allergic reaction (anaphylactic shock) can occur through ingestion of nut products, cross contamination and breathing nut dust in the air. Since this condition can be life threatening, we are asking all members of the school community for their help in minimising the risk to these children by:

- a) Avoiding giving children nuts or nut products in their packed lunches
- b) Avoiding giving nuts or nut products or snacks/bars containing nuts for break time snacks
- c) Avoiding supplying the school with cakes or food items containing nuts for birthday celebrations, sales or events

It is important that all parents carry out the suggested measures and reduce the risk of allergic reaction.

We thank you in advance for your co-operation and support regarding this matter. If you have any questions or concerns, please feel free to contact school.

Yours sincerely

S Thomason
